Order No 04	14.02.2023	<p>Petitioner along with counsel present. No one for the respondent present. Today the counsel for the petitioner was asked by the court to argue the maintainability of the present petition, who argued the same in detail. Arguments heard and record perused. After hearing of arguments and perusal of the record, I am of the opinion that the petitioner has filed the present petition for stopping the mining through bailiff/SHO concerned in the light of the injunctive order of the learned ADJ, Orakzai but when the attested copy of the order of the said court was perused, it is revealed that there is no clear cut order regarding injunction/stoppage of mining in the disputed area and also there is no order regarding confirmation of the injunction order for a fixed period of the said learned court, what to say of its implementation. Thus, in these circumstances, the present court cannot go ahead with the implementation of the alleged injunction granted by the court of learned ADJ, Orakzai, therefore, the petition in hand is dismissed being non-maintainable with no order as to costs. File be consigned to the record room after its necessary completion and compilation</p> <p><b><u>Announced</u></b> 14.02.2023</p> <p> <b>Rehmat Ullah Wazir</b> Senior Civil Judge, Orakzai (at Baber Mela)</p>
