Mr. Ihsan Ullah advocate for plaintiff/petitioner present.

Mr. Abid Wazir advocate for defendants/respondents/appellants present.

After hearing counsel for the parties and perusing case file in hand. it reveals that case file No. 24/1, titled as Jumat Khan etc Vs Hawaldar Khan etc is the main petition file while another case file attached to the main petition; *is the so called*, appeal petition filed by the defendants/respondents/appellants namely Qadar Khan and Hawaldar Khan.

Perusal of file further reveals that initially case was decided through then prevailed Rewaje/Law via Jirga verdict conducted by then official concerned. Which was accepted by the plaintiff/petitioner, which operates like past and closed transaction which also bar any interference of this Court at this time. Against which the appeal of defendants/respondents/appellants is still pending.

However, parties are at liberty that they can adopt any legal/Lawful course for redressal of their grievance.

Hence, case in hand is hereby disposed of as per above discussion.

And this case file be consigned to record room after necessary completion and compilation.
