Order No. 01
21.10.2020

Untraced Challan received from DPP, Orakzai. Be entered. The learned DPP for the state has requested for filing of the case as untraced as no accused despite investigation have been arrested/nominated so far besides requested that upon the nomination/arrest of the accused, the case will be restored again.

The local police, as per brief facts, on receipt of information regarding the smuggling of narcotics laid naka-bandi on 18.03.2020 at Manzazey road. It was about 1300 hours when the local police focused a motorcycle having boarded two persons approaching towards the naka-bandi. The persons on the motorcycle while seeing the police party turned back the motorcycle and while throwing a plastic shoper successfully decamped from the spot. The search of the plastic shoper lead to the recovery of 6 packets chars, each weighing 1200 grams (total 7200 grams). The complainant

separated 10 grams from each packet and packed and sealed the same into parcel no. 1 to 6 for chemical analysis of FSL Peshawar while the remaining quantity of chars was packed and sealed in parcel no. 7. The recovery memo was drafted, followed by scribing of Murasila which resulted in the registration of case FIR no. 16 dated 18.03.2020 u/s 9 (d) CNSA of PS Kalaya Lower Orakzai against the unknown accused.

After the investigation, accused could not be traced out, hence the prosecution recommended the case for filing. Admittedly, in the light of above, there is nothing to proceed further as despite hectic efforts of the local police for almost 7 months, the accused were neither identified nor nominated for proceeding against them. Therefore, the request of learned DPP is accepted and the case is filed being untraced. However, upon the nomination of accused, the case can be restored at any time. Case property be kept intact till further proceedings.

File be consigned to Session Record Room after its necessary completion and compilation.
