Presence as before. The suit file no. 60/1, titled as "Fazal Khaliq Vs XEN C&W etc" received. Through, my this single order, I intend to dispose off an objection petition, filed by JD/respondent against the instant execution petition.

Arguments heard and record perused.

After hearing of arguments and perusal of the record, I am of the opinion that a suit no. 60/1, bearing title as "Fazal Khaliq Vs XEN C&W etc" was pending between the present parties but on 13.09.2019, joint statement of both the parties was recorded, wherein a compromise was effected between them and in the light of the joint statement of the parties, the suit was dismissed as withdrawn. There is no decree in favour of the present petitioner meaning thereby that there is no executable order in favour of the present petitioner. Further, the present petitioner has filed an other suit against the present JD/respondent upon the same subject matter after the disposal of the aforesaid suit upon the joint statement of the parties, which is still pending before this court for further proceedings. Thus, in the present scenario, the instant execution petition is hereby **dismissed** being non-maintainable. The objection petition is disposed off accordingly.

The requisitioned file be returned to the concerned quarter while the instant file be consigned to the record room after its necessary completion and compilation.
