29-03-2023 instead of 30-03-2023 as well. Counsel for petitioner requested that the matter is a clerical mistake; so, it may be corrected.  Perusal of case file reveals that the Superintendent of Sub Jail Orakzai has pointed out both the clerical mistakes and sought guidance of the Court in report dated 13-07-2023 reflected on the overleaf of the release warrant. Section 337(Fiii) has already been mentioned in the Wakalat Nama attested by the Superintendent Sub Jail Orakzai which has been annexed to the original petition for grant of bail and non-mentioning of the such section in the contents of bail seems human error. The matter being clerical and technical in nature may not be hindrance in doing justice.  For what has been discussed above, Petition stands allowed in the interest of justice. Correction where it is necessary shall be carried out by the Muharrir of this Court. Record requisitioned be returned back and copy of this Order to be placed on the record as token of correction so prayed for. File of this Court be consigned to District Record Room after completion and compilation.
