Presence as before.

Today the case was fixed for the appearance of the JD but perusal of the case file reveals that the judgment Dated: 15.12.2020, on the basis of which the instant execution petition has been filed is a preliminary decree and the DH is legally further required to file a petition for final decree, which he has not filed till date. Legally speaking, a preliminary decree is not executable until final decree is passed in the light of the preliminary decree.

Thus, in the light of the aforesaid observations, the execution petition in hand is dismissed being premature and not maintainable.

File be consigned to the record room after its necessary completion and compilation.
