Contin. Order No.04		application under section 22-A CrPC, had approached the
		DPO, Orakzai vide his application dated 18.07.2023
		regarding the same occurrence wherein he has
		complained of verbal threats allegedly extended by the
	,	accused/petitioner Nazim Ali and others through some
		people but after failure of the complainant to get his
		grievance redressed, he has approached the court through
		application under section 22-A CrPC wherein he has
		complained of making firing by the accused/petitioners
,		upon him instead of verbal threats. Moreover, neither any
		independent witness has been associated with the incident
		of verbal threats nor with the incident of making firing by
		the accused/petitioners upon the complainant. In these
		circumstances, as the accused/petitioners are otherwise
		entitled to the concession of bail; therefore, no useful
		purpose of the prosecution would be served to commit the
		accused/petitioners to police custody except the
		probability of unjust harassment at the hands of police.
		Furthermore, as evident from FIR No. 24/2023 of Police
		Station Kurez Boya, the parties are at daggers drawn;
		therefore, malafidi for false implication of the
		accused/petitioners cannot be ruled out. Accordingly, the
