30/11/2021

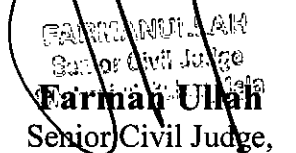

Plaintiff present through counsel.

Arguments on question of jurisdiction heard and record gone through.

From the perusal of the record, it is evident that plaintiff is seeking correction of his date of birth in his educational record by contending that his correct date of birth is 21.09.2003 while defendants have erroneously recorded the same in their record as 15.03.2006. From the plaint, it is also cleared that plaintiff initially remained a student in Al Madina Middle School Dhoda Shareef Kohat and thereafter, admitted in Govt, Higher Secondary School Dhoda Shareef Kohat and from there he appeared in matric examination. So it is an admitted position that plaintiff passed his matric examination as regular student of Govt, Higher Secondary School Dhoda Shareef Kohat from BISE Kohat. Record also transpires that all the defendants are residing in district Kohat and cause of action also accrued to the plaintiff at Kohat as he appeared as a regular student at Kohat. Being such position, Civil Court at district Orakzai has got no jurisdiction to entertain the suit in hand as all the defendants are resident of district Kohat and similarly, cause of action also accrued to the plaintiff at district Kohat rather as per section 20 of CPC the jurisdiction is vested in Civil Court at Kohat.

In view of above discussion, the plaint in original is returned to plaintiff for want of jurisdiction while remaining case file be consigned to the record room after its completion and compilation.
