Arguments heard and record perused. Perusal of case file shows that though the accused has pleaded not guilty to the charge already framed against him; however, he has confessed his guilt vide his application submitted today. The accused was having 2000 grams of chars in his possession; therefore, he is held guilty of the offence punishable u/s 9 (d) of Khyber Pakhtunkhwa Control of Narcotic Substance Act. Hence, he is convicted of the offence. But as the accused is first offender and there is no record of his previous

involvement in such like offences besides the accused is of young age; therefore, he must have a chance of repentance and reformation. Keeping in view the aforementioned circumstances and the clean breast admission of the guilt of the accused, poor financial status and recovery of only 2000 grams of chars by taking a lenient view, instead of sentencing him at once, he is placed on probation for a period of two years subject to the executing of bonds in the sum of Rs. 50,000/- with two sureties to the effect that the accused would commit no offence and to keep the peace and be of good behavior during the period of bond and to appear and receive the sentence, if called upon to do so during that period to the satisfaction of Probation Officer concerned. Case property i.e., chars be destroyed in accordance with law after the period provided for appeal/revision. Consign.
