APP for the state present. IO concerned present and his statement recorded as PW-1.

The prosecution have sent the instant challan for cancellation being deficient in evidence. Also, the perusal of the case file would reveal that the accused are charged for cutting of their own seree trees. Admittedly, the forest of the District Orakzai have not yet been classified as per the Forest Ordinance, 2002 which is mandatory before imposition of any type of ban. Moreover, most of the forests of the District Orakzai are private ownerships of the people residing therein and the whole of their economy turns round it and is usually used for repair and construction of the roofs of their houses damaged in the war on terror in the region and also for cooking their dishes. Also, no solid piece of evidence against the accused is available on case file. Thus, keeping in view the aforesaid facts and circumstances of the case, I agree with the prosecution and the accused are hereby discharged u/s 63 CrPC.

File be consigned to the record rooms after its completion and compilation.
