huge quantity of 3000 grams of chars was recovered from the sack which was in direct possession of accused that has been supported with ocular evidence of the witnesses recorded on memorandum of recovery. The parcels separated for the purpose of examination through channel of Forensic Science Laboratory have promptly been sent. The huge quantity of chars apparently rules out the chance of false implication. The case of accused/petitioner is also falling within the ambit of prohibitory Clause of Section-497 of the Criminal Procedure Code, 1898. Arrest of accused/petitioner on the spot and recovery of huge quantity of chars connect the accused/petitioner with the commission of offence on its face and thus the Court is not inclined to extend him concession of bail.

6. For what has been discussed above, instant bail petition stands dismissed. File of this Court be consigned to District Record Room after its necessary completion and compilation within the span allowed for; whereas, copy of this Order be placed on record of Police to be returned accordingly.
