

ORDER-03  
26.03.2022

APP for the state present.

Counsel for the accused/petitioners present.

Complainant present.

Petitioners namely Zahir Shah S/o Musafar Gul and Aziz Ullah s/o Ajab Khan have applied for their post-arrest bail in connection with case FIR No. 06, dated: 21.03.2022 u/s 380 PPC registered in PS Ghiljo, Upper Orakzai.

Learned counsel for accused/petitioners and APP for the state heard and record gone through.

Perusal of the record reveals that though initially complainant reported against unknown accused for stealing of coils of transformers installed for supply of water scheme for a village Satara Samana Orakzai yet later on he directly charged the accused/petitioners for the commission of offence. Recovery memo available on file depicts that recovery of stolen coils of transformers have been affected on the pointation of accused/petitioner. So, the recovery memo coupled with the photographs of recovery proceedings and pointation at present connects the accused/petitioners in the commission of offence. The offence for which the accused/petitioners are charged with is of moral turpitude and the nature of which is such that it creates insecurity among the public regarding their personal and public property. By granting bail in such like cases is to encourage the accused to repeat such like offences.

In view of above discussion, accused/petitioners are not entitled to the concession of bail, hence bail petition stands dismissed.

File be consigned to record room after its completion and compilation.
