5. This is tentative assessment of record available on file as deep appreciation is neither required nor warranted at this stage of bail. The accused/petitioner was allegedly carrying chars in white sack measuring 2400 grams lying on the fuel tank of Motorcycle; but, no private witness has been associated with the recovery proceedings. The accused was driving the Motorcycle in company of person having 9900 grams of chars who escaped and when such person has been shown as owner and possessor of such huge quantity, the meager quantity of 2400 grams attributing to present accused would obviously create probability of further inquiry. The report of the Forensic Science Laboratory is still awaited and determination of the recovered material as chars is pre mature. More so, the prosecution is also not claiming that the accused was previously involved in the same nature of cases. All these facts renders the case of petitioner as one of further inquiry.

6. For what has been discussed above, instant bail petition stands allowed subject to furnishing bail bonds to the tune of Rupees 120,000/-; with two sureties, each in the like amount; to the satisfaction of this Court.

7. File of this Court be consigned to District Record Room after its necessary completion and compilation within the span allowed for; whereas, copy of this Order be placed on record of Police to be returned accordingly.

8. Announced in open Court.
