Order---05

03.07.2024

Complainant in person along with counsel present.

DPP for the state is also in attendance.

Complainant at the very outset stated at the bar that possession of the disputed property had already been delivered to him by respondents on intervention of elders of the locality and the matter has been patched up between them; therefore, complaint in hands may be dismissed as withdrawn. To this effect statement of complainant recorded and placed on file. In the light of statement of complainant and the reason mentioned therein, it is observed that this would be futile exercise to carry on further proceedings in the instant complaint, hence, while considering the request of complainant, the complaint in hands is hereby dismissed as withdrawn without further proceedings.

Case file consigned to District Record Room, Orakzai after its necessary completion and compilation within the span allowed for.
